NOTES

VIEWING: The sale animals can be inspected prior to the sale by appointment with the Vendors.

ROSTRUM TELEPHONE NUMBER: The rostrum telephone numbers on the day of sale are:-

Derek Biss 07850 932555

Sally Mitchell 07764 817998

OFFICIALS

Judge: Mr R Stanbury

President: Mr JW May

Inspectors: Mr H Dart, Mr J Barker, Mr G Summerhayes

Stewards: Mrs B Clamp

Ring Steward: Ms H Tucker

Weigh Stewards: Mr E Hitch, Mr M Wright

REFRESHMENTS: A canteen is available on site.

ORDER OF CATALOGUE: With the exception of bulls, all lots are sold in catalogue order. As indicated in the catalogue, the order of sale of bulls will begin with the drawn lot 9 then 7, 8. Champion and Reserve Champion will be sold first.

HEALTH TESTS: All animals have been pre-movement tested for TB in accordance with the current DEFRA regulations. All adult animals and calves at foot over 9 months of age, entered in Section 1 of the Sale have been BVD antigen tested clear and vaccinated. Calves at foot under 9 months of age are not sold as BVD tested and vaccinated. With regards to in-calf females entered in Section 1, no warranty is made with regards the BVD status of in-utero calves whose dams were not fully vaccinated against BVD prior to running with the bull. Due to the nature of the disease, statements about Johne's Disease status are only given for animals from CHeCS accredited herds and in such cases, a whole herd Risk Level for Johne's will be given where available.

FERTILITY: Females sold as "in-calf" have been PD tested as 12 weeks or more in calf on the day of the PD test. Females PD'd at under 12 weeks, are not warranted in-calf.

NATIONAL BEEF ASSOCIATION TERMS & CONDITIONS OF SALE: Animals sold in Section 1 and 2 are sold under the NBA Terms & Conditions of Sale (unless where exceptions are specifically stated for individual lots sold as part of a Major Reduction or Herd Dispersal). The Society draws vendors' and buyers' attention to these Terms & Conditions which can be viewed in full at www.redrubydevon.co.uk, www.nationalbeefassociation.com, or by contacting the DCBS Secretary for a paper copy. Copies will also be available at Sedgemoor market on the day of sale. The Society draws vendors' attention to Annex 1 of the NBA Terms & Conditions "**Guidelines for the Standards of Good Husbandry and Management In respect of bulls purchased at Sales**". Animals sold in Section 3 of the Sale are sold outside of the NBA Terms & Conditions. The Society has fixed the "keep" element of these rules at £7 per week for Bulls and £5 per week for females.

DCBS INSPECTION OF CATTLE: In addition to statutory inspection of cattle arriving at market, the DCBS conducts its own inspection of cattle forward:

Bulls: Bulls are inspected on Sale Day by the DCBS-appointed veterinary surgeon prior to the commencement of the Show & Sale. In the case of a bull failing the veterinary inspection, the bull may not be sold on Sale Day, either through the ring or outside. Registration of any progeny from a bull failing the veterinary inspection that are subsequently entered for registration in the Davy Devon Herd Book will be subject to the progeny passing an inspection by DCBS, and the owner of the animals to be inspected will be required to bear DCBS' costs. DCBS will mark the bull's pedigree certificate on Sale Day with regard to this restriction. The veterinary surgeon's decision on Sale Day is final. The owner of the bull may subsequently make a written request to DCBS for the bull to be re-inspected at a later date. All bulls are weighed on Sale Day. DCBS Inspectors may fail a bull on weight-for-age grounds.

In the case of a bull passing the veterinary inspection but failing on weight-for-age, the following provisions will apply:

- No restriction will be placed on registration of progeny.
- The bull's lot number sticker will be scored through.
- The bull may be sold through the ring following the conclusion of the Show & Sale. In such a case, neither the NBA Breeding Warranties nor the DCBS waiver of buyer's transfer fee will apply.

Females: Females are inspected on Sale Day by DCBS Inspectors prior to the commencement of the Show & Sale. If rejected for whatever reason, the animal's lot number sticker will be scored through. The animal may be sold through the ring following the conclusion of the Show & Sale. In such cases, neither the NBA Terms & Conditions nor the DCBS waiver of transfer fees will apply. Progeny of females rejected at inspection will be eligible for registration in accordance with registration criteria at the time of birth. Where a bull has been rejected from the Show & Sale for failing the veterinary inspection (as above), females in calf to the rejected bull will be sold following the conclusion of the Show & Sale, and their progeny will be required to pass a veterinary inspection prior to registration (as detailed above).

UPSET PRICE: All bulls are sold subject to an upset price of 1600gns.

DESCRIPTIONS: The written notes or verbal comments supplied by the vendor are not the responsibility of the Auctioneers or the Devon Cattle Breeders' Society. The notes describing each animal included in the auction particulars, including health declarations, have in all cases been supplied by the seller. Whilst the Society makes every effort to ensure the accuracy of these notes, the Society cannot except any liability to the purchaser of any animal for any loss damage, costs, expenses or other claims for compensation arising from any details or instructions supplied by the seller of that animal which are incomplete, incorrect, inaccurate or misleading in any way.

DCBS TYPE CLASSIFICATION SCHEME: The DCBS operates its own breed specific type classification scheme to assist breeders' efforts in breeding the "ideal type" Red Ruby Devon. The scheme has been running since 2005. The classification scheme's scoring system measures skeletal conformation, mobility, and breed character to produce a Final Score of 100. Animals are classified by the Society's independent Classification Officer, into the following classification designations:

Moderate "M" scores 50-59 out of 100 Very Good "VG" scores 80-89 out of 100

Good "G" scores 60-69 out of 100 Excellent "EX" scores 90-100 out of 100

Good Plus "G+" scores 70-79 out of 100

Animals entered for sale which have been Type Classified will have their classification designation shown at the end of the pedigree registration number.

ABRI BREEDPLAN PERFORMANCE RECORDING: The DCBS operates a Performance Recording Programme with ABRI Breedplan. Lots offered for sale from vendors who record with Breedplan will have the latest Estimated Breed Values (EBVs) included in the catalogue. Only Red Ruby Devon GROUP BREEDPLAN EBVs or INTERIM EBVs with Accuracy (Acc) can be validly compared between herds. An EBV (Estimated Breeding Value) is the best estimate of an animal's genetic merit for that trait. An Accuracy (Acc) value is presented with every EBV and gives an indication of the amount of information that has been used in the calculation of that EBV. The higher the accuracy the lower the likelihood of change in the animal's EBV as more information is analysed for that animal or his/her relatives. **Accuracy below 75% should be considered low.**

For further explanation of EBV please refer to the ABRI Tip Sheets available to download on the Breedplan page on the DCBS website www.redrubydevon.co.uk

The Red Ruby Devon GROUP BREEDPLAN Estimated Breeding Values contained in the Sale Catalogue were compiled by the Agricultural Business Research Institute (ABRI) from data supplied by breeders. Neither the Devon Cattle Breeders Society nor the ABRI oversee or audit the collection of this data.

KEY TO DEVON DAVY HERD BOOK CLASSIFICATIONS

Letters in front of the animal's Registration number	Definition
BN	Birth notified male or female. Birth notification is a precursor to registration. Owners of birth notified males must apply to the Society for the bull to be inspected for registration from 14 months of age. Birth notified females can be registered at anytime subject to payment of the necessary fees.
F	Pure bred genetically horned female registered in the full Herd Book
PF	Pure bred polled female registered in the full Herd Book
FX	Extra Supplemental Register female, where a part bred male appears somewhere in its ancestry (FXP = polled version)
M, PM, MX, MXP	Male equivalents of the above
SR	Supplemental Register open to females only. For genetically horned female
SRP	As above, for polled female
GUS	Graded up (no longer used. Now SR or FX)
E, PME, PFE	Polled Grading Up Registers (closed 1995)
Number only	Eg. 112233 Full herd book animal Born prior to 1986
Percentage purity is stated up to 87.5% beyond which full purity is assumed	
Letters at the end of the animals registration number	Definition
ET	Animals resulting from Embryo Transfer
F1	Females registered in the first tier of the Supplementary Register. These animals will bear a SR or SRP prefix (see above). Their female progeny, sired by a pedigree registered bull will be eligible for registration as F2 Supplementary Register. The male progeny of F1 females are not eligible for registration
F2	Females registered in the second tier of the Supplementary Register. These animals will bear a SR or SRP prefix. Their female and male progeny, sired by a pedigree registered bull will be eligible for registration into the full Herd Book.
SC	Scurred (incomplete/partial) development of horn growth

The DCBS Buyers' Guide is available to download from the Society's website
www.redrubydevon.co.uk

LOT 3**ASHWAY DAISY 2ND PF151046****(UK342779 500367)**

Born 09/05/2015

Polled

Sire: Kingsbrompton Trophy
(M14041)**gs:** Clannaborough Brigadier 16th (M09072)**gd:** Frogmore Crocus (F2) (SRP05088)**Dam:** Garradon Daisy 4th (F2)
(SR07416)**gs:** Whitefield Red Admiral (M03026)**gd:** Garradon Daisy 3rd (F1) (SR07415)

Ashway Daisy 2nd has been running with our outstanding homebred bull Ashway Go Get'er PM16091 since 6.4.17. Go Get'er was successfully shown last year as a yearly bull at Devon County and Three Counties Shows. Tulip tested negative for BVD, IBR, Lepto on 4th August 2017 and was vaccinated for BVD on the same day. PD tested on 6.9.17 as 3^{1/2} months in calf. Whole herd TB tested clear on 22.8.17.

FULL HERD BOOK MAIDEN HEIFERS**Mr AJ THOMAS (BOLLOWAL)****LOT 4****BOLLOWAL HONEYSUCKLE 6TH F160233****(UK383921 300413)**

Born 02/03/2016

Sire: Whitefield Jack-Of-All-Trades
(M10035)**gs:** Whitefield Centurion (M04009)**gd:** Whitefield Bridesmaid 17th (f2) (SR9817)**Dam:** Bollowal Honeysuckle 1st
(F121522)**gs:** Whitefield Jack-Of-All-Trades (M10035)**gd:** Barton Honeysuckle 37th (F2) (SR05101)

The sires shown in this pedigree have all been either Junior, Stock, or Senior DCBS Bull of the Year. The Honeysuckle family are fertile, milky and full of breed character. This well grown heifer has been out-wintered on the wild Cornish coast. The Bollowal Herd is a member of the CHeCS accredited PCHS Health Scheme, accredited for BVD and Johne's Risk Level 1. This heifer was tested clear and vaccinated for IBR and Lepto on 21.1.17. Whole herd TB tested 21.1.17. This heifer will be TB tested prior to Sale.

LOT 5**BOLLOWAL SHOWGIRL 43RD F160236****(UK383921 100418)**

Born 19/03/2016

Sire: Whitefield Jack-Of-All-Trades (M10035) **gs:** Whitefield Centurion (M04009)
gd: Whitefield Bridesmaid 17th (f2) (SR9817)

Dam: Bollowal Showgirl 10th (F04628) **gs:** Bollowal Frederick 1st (M9917)
gd: Bollowal Showgirl 3rd (F00442)

The Showgirl line is very famous going back many generations. The sires shown in this pedigree have all been either Junior, Stock, or Senior DCBS Bull of the Year. There are many Interbreed and Championship winners in this pedigree. This well grown heifer has been out-wintered on the wild Cornish coast. The Bollowal Herd is a member of the CHeCS accredited PCHS Health Scheme, accredited for BVD and Johne's Risk Level 1. This heifer was tested clear and vaccinated for IBR and Lepto on 21.1.17. Whole herd TB tested 21.1.17. This heifer will be TB tested prior to Sale.

LOT 6**BOLLOWAL QUEENIE 36TH F160237****(UK383921 200419)**

Born 23/03/2016

Sire: Bollowal Barrister (M11072) **gs:** Bollowal Nimrod (M04110)
gd: Bollowal Clara 3rd (F2) (SR05115)

Dam: Bollowal Queenie 19th (F10024) **gs:** Bollowal Allegro (M01020)
gd: Bollowal Queenie 7th (F04121)

The sires shown in this pedigree have all been either Junior, Stock, or Senior DCBS Bull of the Year. The Queenie line is an off-shoot of the famous Cherry line. A Queenie was Champion Female in the Society's Spring Show & Sale 2017. This well-grown heifer has been out-wintered on the wild Cornish Coast. The Bollowal Herd is a member of the CHeCS accredited PCHS Health Scheme, accredited for BVD and Johne's Risk Level 1. This heifer was tested clear and vaccinated for IBR and Lepto on 21.1.17. Whole herd TB tested 21.1.17. This heifer will be TB tested prior to Sale.

CHAMPION BULL
RESERVE CHAMPION BULL**

MESSRS POAD & SLEE (EXMOOR)

LOT 7

EXMOOR HUNTSMAN M16127

(UK351637 300021)

Born 07/04/2015

Sire: Thorndale Fitzroy 3rd
(M9853)

gs: Thorndale Fitzroy (M9540)
gd: Thorndale Curly 6th (F94183)

Dam: Wellshead Henrietta 6th
(F2) (SR11067)

gs: Bagnell Glorious (M08063)
gd: Wellshead Henrietta 2nd (F1) VG80 (SR083)

Huntsman has calves already on the ground. Huntsman is a well grown, balanced bull with a lovely temperament and excellent locomotion. He has been shown successfully since a calf. This year he won his class at Devon County, was Reserve Male Champion at Bath & West and 2nd at Royal Cornwall Show. He was Breed Champion at Dunster Show, and Reserve Breed Champion at Honiton, Gillingham Shows. The Exmoor herd is a member of the CHeCS accredited Biobest Hi Health Scheme, accredited for BVD, IBR and Johne's Risk Level 1. Huntsman is vaccinated against BVD and IBR. Whole herd TB tested on 22.8.17.

MR & MRS P GAY (BAGNELL)

LOT 8

BAGNELL REGENT PM17063

(UK348542 200221)

Born 22/02/2016

Sire: Knowstone Major
(M12120)

gs: Thorndale Fitzroy 4th (M01042)
gd: Beejay Beaver (F2) (SR08476)

Dam: Bagnell Jemima G+78
(F10090)

gs: Thorndale Assirati EX92 (M0024)
gd: Bagnell Georgia (PF07632)

This polled bull won his class at this year's Bath & West Show. Although not homozygous polled, his dam has always thrown polled offspring. Bagnell Regent's sire, Knowstone Major, was Male Champion at Devon County Show 2016. The Bagnell Herd is a member of the CHeCs accredited BioBest Hi Health scheme. The herd has held BioBest's Elite Herd status for the last 10 years. Accredited free of BVD, IBR, Lepto, Johne's Risk Level 1. Regent was BVD vaccinated on 27.2.17. Whole herd TB tested clear on 10.5.17. Regent will be TB tested prior to Sale.

***** END OF SECTION 1 *****

HERD DISPERSALS

MR C HAWKINS (HAWKSCOMBE)

The Hawkscombe Herd was founded in 2009 with lines from Halsbury and Forde Abbey. The herd has been bred towards a larger type, with a focus on productivity and temperament, with significant introductions from the Eastyard herd including stock bull Eastyard Fitzroy and females from the renowned Eastyard Jaylo family. This has been very effective in producing fantastic strong calves from easy calving cows. More recently cows have been Al'd to Yeomadon Ferdinand EX93. The future looks very promising for our herd so it has been a very difficult decision to disperse the herd but as a vet with a rapidly growing surgery, it is proving too difficult to continue to offer the herd the attention it deserves. It is our family's reluctant decision to disperse the herd. Our herd is closed and has been TB free since it was established. We are a member of the CHeCS accredited Premium Cattle Health Scheme, accredited Johne's Risk Level 2. The whole herd was BVD antigen tested negative on 1.9.17 and vaccinated on the same day with the Bovela vaccine. All cattle not previously vaccinated for IBR and Lepto were tested negative 29.11.16. Cows have been running continuously with Eastyard Fitzroy since spring turnout. Fitzroy's offspring have been Al'd to Boskenna Ferdinand.

STOCK BULL

LOT 45

EASTYARD FITZROY M13083

(UK372325 700080)

Born 18/02/2012

Breeder: Mr & Mrs M Cowell

Sire: Thorndale Assirati EX92
(M0024)

gs: Thorndale Fitzroy 3rd (M9853)

gd: Thorndale Flirt 8th (F2) (SR9529)

Dam: Barton Saint 25th G+79
(F07461)

gs: Brightley Diamond 6th (M9924)

gd: Barton Saint 20th (F04197)

This bull had a very successful showing season prior to joining the Hawkscombe herd, with two firsts and Reserve Champion at Royal Cornwall Show. Fitzroy is a very gentle natured bull, he is very easy to handle and produces strong calves that thrive and are easy to calve. We have never had to assist a calving from this bull, even on heifers. Sired by Thorndale Assirati and out of Barton Saint 25th, he has excellent conformation that he readily passes on to his progeny. Fitzroy has been tested BVD antigen negative on 1.9.17 and vaccinated with Bovela on the same day.

FULL HERD BOOK RECENTLY SERVED HEIFERS

MR RME WRIGHT (ORSWELL)

Our decision to semi-retire is the reason for these five heifers being offered for sale at Sedgemoor today. Two are home-bred and three were purchased as maiden heifers from the Cutcombe herd in 2016. They have all been running with Meadowlea Paul M17040 from 4.5.17 until 29.5.17. PD tested on 14.8.17. All tested antigen negative for BVD, IBR and Lepto on 21.8.17. Whole herd TB tested clear April 2017 and pre-movement tested for Sale on 11.8.17.

Born 27/02/10

Bred by P&C Gay

Stored at UK Sire Services (all transport costs to be paid by the purchaser).

Stock bull with the Bagnell herd until August 2016 when he was sold to the Belmont herd. Javelin has been Interbreed and Breed Champion on numerous occasions including Dorset County Show 2012 and 2015. He has good length and conformation and a marvellous temperament. No assistance has been required for the birth of his progeny whilst he has been in the Bagnell herd. The Bagnell herd has held Elite Health status with Biobest for the last 10 years.

INFORMATION FOR BUYERS

PEDIGREE TRANSFERS

Under Devon Cattle Breeders' Society rules, transfers are the responsibility of the purchaser and a transfer fee is payable by the purchaser: £13.20 per female and £19.20 per male (incl. of VAT)

However, for all animals purchased at the DCBS Society Show & Sale, all transfers are FREE for animal purchased in Sections 1 and 2 of the Sale and the pedigree transfer will be completed automatically by the DCBS office.

Please note the normal transfer fee will apply for any animal sold in Part 3 of this sale or sold privately. In this event, buyers will be given a transfer form to complete and return, with fees, to DCBS office.
