The Critical Couple wowed by Red Ruby Devon Beef

Renowned restaurant critics, The Critical Couple, were wowed by the succulence and flavour of Red Ruby Devon Beef when they ate at London's new hot restaurant, "Alyn Williams at The Westbury." This extract was taken from www.thecriticalcouple.com, originally posted on 8/12/2011.

"We have loved the food of Alyn Williams for some time and after what seems like forever, the wait is over, restaurant Alyn Williams at The Westbury has opened its doors to customers. . . . In a word, the meal was faultless.

*The final main, **Devon red beef sirloin is one of the genuinely tastiest cuts of beef we can remember having this year. The flavour here is intrinsic, not imparted to it by a high temperature grill and an outside char, but simply the quality of the beef precisely cooked.***
