Larkbarrow Red Ruby Devon Dispersal

**58 Devon Cows; 58 Devon Calves, 2025 born;
5 Bulls; 18 Served Heifers;
35 Maiden Heifers**

Sale on behalf of Mr Henry Rawson

Friday 3rd October 2025 at 12 noon

**At Cutcombe Market, Wheddon Cross, Minehead,
Somerset TA24 7DT**

Sale in conjunction with:

ANDREW LANE MRICS FAAV

Foreword

The Larkbarrow Herd of Pedigree Devons was founded in 2013 and started with cattle from the Wellshead Herd and therefore influenced by a number of outstanding stock bulls including the great Wellshead Charlie EX91, Champson Mighty Man and Cutcombe Gerald to name a few.

The herd has gone from strength to strength, with careful selection of bulls. There has been great success in the show ring, winning numerous awards at Breed Society Shows & Sales.

The Larkbarrow Herd was awarded the best herd of Pedigree Devon cattle in 2022, since then we have been selling all of our heifers for breeding stock and a number of quality young stock bulls alongside them.

Devon cattle are a great asset to any farm with their hardiness, milkiness and amazing temperament, they are a pleasure to work with in many ways.

We look forward to greeting you at the sale and wish you the best of luck with any purchases you manage to secure.

Henry Rawson & Ricky Atkins

Auctioneers Comments

The auctioneers are delighted to be asked to disperse the Larkbarrow herd of Red Ruby Devons and can fully recommend the cattle, having been farmed at Wellshead Farm, Exford by Mr Ricky Atkins on behalf of the owner of the estate, Mr Henry Rawson.

The farm lies at an elevation of 300 metres above sea level (985ft) then rising to 430 metres above sea level (1,400ft).

Many of the heifers and youngstock are outwintered with the breeding herd being housed for as short a time as possible.

Peter Huntley & Andrew Lane

Herd Health

The herd is accredited free of BVD and the herd is BVD vaccinated annually (cows on 09.05.2025, maiden heifers on 11.02.2025 & 15.03.2025), the herd is pool tested negative for BVD. All in calf cows are vaccinated for Rotavirus before calving and cows have been bolussed once a year at three months before calving. 2025 born calves and 2024 born heifers were treated with Cydectin on 20.08.2025. The herd are Farm Assured, SAI Global Red Tractor. Cows & served heifers were scanned on 9th September and PD results are listed in the catalogue as at sale day. The herd was TB tested on 9th & 12th September 2025.

General Information & Sale Notes

Bidding All lots will be sold in Guineas (£1.05)

Transfers of Pedigree These will be the responsibility of purchasers. Contact DCBS 01404 47863 www.redrubydevon.co.uk

Key to Devon Davy Herd Book Classifications

Letters in front of the animal's Registration number	Definition
BN	Birth notified male or female. Birth notification is a pre-cursor to registration. Owners of birth notified males must apply to the Society for the bull to be inspected for registration from 14 months of age. Birth notified females can be registered at anytime subject to payment of the necessary fees.
F	Pure bred genetically homed female registered in the full Herd Book
PF	Pure bred polled female registered in the full Herd Book
FX	Extra Supplemental Register female, where a part bred male appears somewhere in its ancestry (FXP = polled version)
M, PM, MX, MKP	Male equivalents of the above
SR	Supplemental Register open to females only. For genetically horned female
SRP	As above, for polled female
GUS	Graded up (no longer used. Now SR or FX)
E, PME, PFE	Polled Grading Up Registers (closed 1995)
Number only	Eg. 112233 Full herd book animal Bore prior to 1966
Percentage purity is stated up to 87.5% beyond which full purity is assumed	
Letters at the end of the animal's registration number	Definition
ET	Animals resulting from Embryo Transfer
F1	Females registered in the first tier of the Supplementary Register. These animals will bear a SR or SRP prefix (see above). Their female progeny, sired by a pedigree registered bull will be eligible for registration as F2 Supplementary Register. The male progeny of F1 females are not eligible for registration
F2	Females registered in the second tier of the Supplementary Register. These animals will bear a SR or SRP prefix. Their female and male progeny, sired by a pedigree registered bull will be eligible for registration into the full Herd Book.
SC	Scurred (incomplete/partial) development of horn growth

The DCBS Buyers' Guide is available to download from the Society's website www.rcdsbydevon.co.uk

GENERAL INFORMATION- Conditions of Sale appertaining to Livestock

1. Subject to the reserve price (if any) being reached the highest bidder for any lot shall be the Purchaser. Once the hammer is dropped the lot will not be reoffered. No bidding shall be retracted.
2. The Auctioneers reserve to themselves the right of refusing any bidding they may deem it advisable to decline, and of withdrawing any lot or lots from the sale, and to sell in such order and combine lots as they see fit.
3. At the fall of the hammer, each purchaser shall give o the Auctioneers his or her name and place of abode (in writing if required), a pay for any lots purchased by him/her at the close of sale.
4. The Auctioneers describe lots to the best of their ability from information furnished by the Seller, but undertake no liability whatsoever for any faults, deficiencies and errors of description oral or written. The Vendor who provides such information is alone responsible for any errors or mis-descriptions there may be.
- 5 Where under any enactment an animal must be accompanied by any documentation then the vendor shall be responsible for delivering to the auctioneers all relevant documentation and indemnify the auctioneers against any claim made by any purchaser.
- 6 Any claim made under conditions 7 to 14 inclusive which require veterinary proof – the cost shall be born by the purchaser.

CATTLE

- 7 Soundness Unless stated to the contrary, in the catalogue or at the time of sale, animals sold are warranted by the vendor to be free from any unsoundness in respect of eyes, teeth, legs, feet and visible defect with the exception of clinical Johnes disease. Any claim under this warranty shall be made within five working days of the close of sale.
- 8 Medication The vendor warrants that unless stated to the contrary in the catalogue or at the time of sale animals are sold outside of any medicine withdrawal period.
- 9 Store Cattle i) Heifers proving in calf The vendors warrants that a heifer, which is not described as having been running with the bull or being served is not in calf at the time of sale. This warranty shall last for six months from the day of sale only. The purchaser shall have the option of returning the animal to the vendor and be paid £2 per day for the animals keep.
- ii) Steers Any male animal sold as a steer shall be cleanly castrated. This warranty shall exist for 2 hours after the close of sale and before the animal is removed from sale premises.
- 10 Beef Breeding Cattle i) Maiden heifers Any heifer sold as a breeding heifer shall be guaranteed not to be a freemartin. This warranty is limited to three months after the sale day. ii) Calving dates All calving dates disclosed in the catalogue or at the time of sale are given as an indication only with no warranty. iii) Embryo transfer and caesarean operation The vendor warrants that unless otherwise stated in the catalogue or at the time of sale no animal has been subjected to the technique of embryo transfer or has had a caesarean operation. This warranty is limited to three months from sale date. iv) Stock bulls The vendor warrants that any bull, 10 months of age or over, sold as a stock bull is capable of and effective at natural service. This warranty is limited to four months from sale date. Purchasers shall have the right to return the animal and be paid £2 per day for its keep.
